What Is KESTREL?

Kestrel Productions is a Veteran Owned DJ Company providing quality services for
Weddings and Events at a Reasonable Rate.

Kestrel Productions is owned and operated by Tim Fletcher. Tim was a proud member of the US Navy from 1986-1992 with the “Kestrels” of F/A 18 Squadron VFA-137. *“The quality of men that I served with at VFA-137, made such an impact on me that I have spent the years following, trying to live up to those values.”*

Kestrel Productions began in 2015 as an AV company providing services to various Charitable organizations. During that time, Tim noticed that services of a reasonable rate did not always equate to quality services and set out to be that change.

Tim is an 18 year veteran of local EMS Services. Along with his wife Nicki, they have 4 children, 1 grand daughter and 2 fur babies.

Rest Assured, when you contact Kestrel Productions, you will receive top quality services and your event will be memorable!

I used Tim and Kestrel for my rehearsal dinner for my wedding. Everything went great. Tim listened to what my wife and I wanted and made sure that he included the songs that we wanted to dance to. At the rehearsal dinner everything went exactly as planned. The music was great and everyone enjoyed themselves. I will definitely be using Kestrel again.

Tim Fletcher's vast knowledge of music and how to tailor it to various venues and events helps set him apart as a professional DJ. If you are looking for a DJ that will be on time, is easy to work with and knows how to keep a crowd engaged then look no further than Tim Fletcher & Kestrel Productions. He is well versed technically with both sound and audiovisual equipment so you don't have to be. Enjoy your event while Tim's expertise keeps you happy and your guests on the dance floor.

Dear Mr. Fletcher:

Thank you for your outstanding services at my retirement celebration on February 18, 2020. I want to express my appreciation for the excellent and professional job that you accomplished that helped to make this retirement celebration memorable and successful. Many attendees mentioned that your participation and timing contributed much to the success of this event. I think the philosophy of the students (that this was a reunion and celebration) was creatively supported by your music and master-of-ceremonies activities.

Sincerely,

John H. Rodgers, Jr.
